

The St. Regis Bar

Bloody Mary Experience

In 1934, famed barman Fernand Petiot perfected his recipe for a vodka and tomato juice cocktail at The St. Regis New York's legendary King Cole® Bar. Originally christened the "Bloody Mary®," the cocktail was ultimately dubbed the "Red Snapper®" so as not to offend the hotel's refined clientele. While the name may not have stood the test of time, the Bloody Mary remains the signature cocktail of the St. Regis brand and can still be enjoyed where it was originally concocted. In honor of the creation of the Bloody Mary cocktail over 75 years ago, each hotel and resort in the St. Regis crafted its own unique, local interpretation of the classic cocktail.
